6-8 LITERATURE ALIGNED TO CALIFORNIA HISTORY-SOCIAL SCIENCE STANDARDS ORDER FORM

California County Superintendents Educational Services Association

Through the leadership of the California County Superintendents Educational Services Association's History-Social Science committee, you have an opportunity to purchase the brand new "6-8 *History-Social Science Literature List*." This list is aligned to history-social science state standards and contains suggested literature selections for all the standards in grades 6-8. Besides the thousands of books listed, the document contains literacy strategies, connections with the English-Language Arts Standards, and a teacher resource section.

To order your copy of the *6-8 History -Social Science Literature List*, complete the form below and return to:
